Principal - Mrs. Tracy Leemet**

The month of June has certainly been a busy one. I want to thank all of the staff, students and parents for making St David's so wonderful. You are very fortunate to live in such a caring community that indeed does give credence to the saying, "It takes a village to raise a child."

We had a wonderful grade 8 graduation this week and I want to wish the graduates all the best as they head off to high school. They are a wonderful group of young ladies and gentlemen and I know they will do us proud!

At the present time, we are still working on the staffing process for next year. We still have one vacant position that will hopefully be filled soon. Teachers will be out on the first day of school with class lists in hand to let you know which classroom your child/ren are in. Thank you for your patience and support as we go through this process.

At this time of year we have say goodbye to those staff that are leaving. Mr Warner who has been the custodian here for over 20 years has decided to retire. We want to wish him all the best as he now has a chance to enjoy his family and his huge yard.

Ms Candler who has been at St Davids for 4 years is also retiring. She will now have more time to spend at the theatre which she loves and doing all of the things she never had the time for.

Mrs Riel who has been teaching grade 2 for us this year is off to teach at Peace Bridge in Fort Erie which is much closer to home. We want to wish her all the best and know that the students at Peace Bridge are going to love her.

I would like to wish everyone a happy and safe summer and we will see everyone back on Tuesday, Sept. 4th.

Mrs Leemet
