**A student in good standing:**

**Students must have their homework completed, assignments in on time, and have passing grades overall to represent their school on a team. Also their behaviour must be exemplary. Students who are involved in unacceptable behaviour are not suitable representatives of their school.**

**If a student misses their homework, or is late with an assignment, their teachers may wish to record it on an Athlete At Risk form which will list the assignments/behaviours in question and submit it to the principal. The principal may suspend the students from the team. IT IS ALWAYS POSSIBLE TO BE A STUDENT IN GOOD STANDING.**
